

## **Pastors Sermon Streaming Video Program**

**Big Media Broadcasting Company, Inc (BMBC)** produces interactive radio and video programming which is available on demand 24/7 on the company's website, BigMediaUSA.com,

Founded in early 2006, Big Media USA now has 24 "stations" which cover the big audiences underserved by current Internet programming, including **Christian Life Broadcasting**, Real Estate, Big Business, Law, and Fresh Talk Radio, Non-Profits and Chambers of Commerce and several other stations to be launched before years end.

One of the goals for **Christian Life Broadcasting.com** is to help pastors reach the masses with their message by live streaming their sermons on the Internet and then having them archived for viewing on demand 24/7.

### **Helping Pastors Share The Great Commission**

*And Jesus came and spoke to them, saying, "All authority has been given to Me in heaven and on earth. Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age." Amen. (Matthew 28:18-20)*

BMBC has been working on a high quality, cost effective solution to this dream and today is launching its new **Pastors Sermon Streaming Video Program**
